

Are Your City Streets Worth a Nickel?

North Bend and Coos Bay have no reliable revenue source for street maintenance. Repairs have been deferred for decades.

We'd like to know your viewpoint.

Please answer this brief survey, or go online to:

1. **What is** your opinion about the condition of Bay Area streets?

- They're bad and getting worse.
- They're doing OK.
- Don't know.

2. **This fall**, both cities may ask voters to approve a local gas tax. A 5-cent-a-gallon tax would cost the average local driver about \$15 a year. (About 4 cents a day.) How would you vote?

- Yes. \$15 a year is a fair price for decent streets.
- No. We can't afford new taxes.

3. **Where** do you live?

- North Bend
- Coos Bay
- Outside city limits

5. **Do you** have any comments, questions, or concerns?

6. **May we** send you more information? (Optional)
