1. Identify your experience, education and training which would benefit the committee and the community.

I retired from Coos Bay Schools in 2005, after 29 years there as a science teacher and an educational administrator. From 2005 through 2010, I served as Legislative Assistant for State Rep. Arnie Roblan, in his Coos Bay district office. I hold a B. S. in Geology from Beloit College and an M. S., also in Geology, from the University of Colorado. I received a secondary school teaching credential in Integrated Science from Portland State University and an Initial and Continuing Educational Administrative credential from the University of Oregon.

2. List the nature and extent of your past and present community involvement.

Most of my community involvement has centered on Coos Bay Schools. I am a member of the Marshfield High School Scholarship Committee, and a founding Board Member of the Coos Bay Schools Community Foundation. I volunteer at Marshfield High School, and have helped to spruce up the high school campus prior to the start of the school year, assisted with student registration, and served as a race clerk at Marshfield's home track meets. For the past few years I have also helped out as a registration volunteer for the Prefontaine Memorial Run. I am a Friend of the Coos Bay Library.
