

CITY OF COOS BAY CITY COUNCIL
Agenda Staff Report

MEETING DATE August 4, 2015	AGENDA ITEM NUMBER
---------------------------------------	---------------------------

TO: Mayor Shogi and City Councilors

FROM: Gary L. McCullough, Chief of Police
Through: Rodger Craddock, City Manager

ISSUE: Retirement of Evidence Custodian Larry Mauer

BACKGROUND:

The Coos Bay Police Department would like to recognize a long time employee of the Police Department who retired in 2003 from active police work after 31 years of service. In June of 2006, Larry returned to the Coos Bay Police Department as the Evidence/Property Custodian and remained in that position until his second retirement on June 2, 2015.

Over his long career, Larry could be relied on to share his knowledge in law enforcement as well as the practical jokes he liked to play on the members of the Department. Larry will be sorely missed and will hopefully stop by every once in a while to visit.

RECOMMENDATION:

Police Department staff wishes to thank Larry for his many years of dedicated service to the citizens of Coos Bay as well as the Coos Bay Police Department.
