TO: Mayor Shoji and City Councilors

FROM: Jim Hossley, Public Works Director *JH*

THROUGH: Rodger Craddock, City Manager *RC*

ISSUE: Approval of a Purchase of a Public Works Pick-Up Truck

BACKGROUND:

For a couple decades Public Work’s engineering staff’s transportation vehicle was a 1985 Toyota pickup which they used to perform inspections and to respond to customers concerns. The Toyota was removed from City fleet inventory in 2013 because of age, and maintenance cost associated with keeping the vehicle in service. This put engineering without a vehicle; therefore in 2013 the City purchased from City of Hillsboro a surplus vehicle (1996 Chevrolet S-10 Pickup) to temporarily replace the 1985 Toyota for \$500.00. It is now time to replace the 1996 S-10 vehicle because of mileage, and maintenance cost associated with the upkeep. Therefore the City went to the Oregon Procurement Information Network (ORPIN) and the National Joint Power Alliance (NJPA) to find a new suitable replacement vehicle. These two sources meet the City and state’s procurement regulations for bidding. Below are the cost estimates for a ½ Ton, 4 x 4, W/Crew Cab, standard equipment.

MAKE	MODEL	MSRP	NJPA	LOCATION
2015	Colorado 4 X 4 Crew Cab	\$32,947.50	\$28,937.41	ORPIN
2016 Ford	F-150 4 X 4 Crew Cab	\$38,100.00	\$30,533.00	NJPA
2016 Toyota	Tundra 4 X 4 Crew Cab	\$33,390.00	\$31,090.62	NJPA
2016 Chevrolet	Colorado 4 X 4 Crew Cab	\$32,835.00	\$32,730.03	NJPA
2016 GMC	Canyon 4 X 4 Crew Cab	\$34,660.00	\$35,585.00	NJPA

ADVANTAGES:

Provides engineering staff with reliable transportation to safely respond to customer concerns and to inspect projects.

DISADVANTAGES:

Other than cost, staff sees no disadvantages.

BUDGET IMPLICATIONS:

Purchase of this vehicle was approved in this year's budget. \$10,000 of the total cost will come from the Major Capitol Reserve Fund 34-870-530-3008, the remainder of the cost will be from the Wastewater Improvement Fund 29-810-530-3008. The total cost of the new truck, including delivery to Coos Bay is \$28,937.41. Additional funds will be expended for registration and aftermarket equipment - safety equipment and equipment storage. The additional expenditure is not expected to exceed \$4,000.

ACTION REQUESTED:

If it pleases council, accept the bid and approve the purchase for a 2015 Chevrolet Colorado, 4 X 4, Crew Cab, with standard equipment, from Hubbard Chevrolet plus the purchase of aftermarket equipment not to exceed \$33,000.
