ISSUE: OLCC License Renewals for **Eagles Lodge #538**

BACKGROUND:

Oregon Revised Statute (ORS) 471.166 establishes the process for local governments to make recommendations to OLCC regarding approval of or denial of initial OLCC license applications and subsequent yearly renewals. As part of the process, the Police Department reviews all initial and renewal applications to ensure compliance with applicable regulations. The City Council is charged with the responsibility for recommending approval or denial of these applications to the Oregon Liquor Control Commission bases on information submitted by the Police Department.

On June 15, 2016, a representative of the Eagles Lodge #538 submitted a renewal application for their existing OLCC license at their club. Records Supervisor Christine Esperance has reviewed the renewal application and conducted a records check of the business and applicants. The investigation revealed no information that would prohibit the approval of the application.
