ISSUE: OLCC New Outlet License Application – Barrels Bar LLC

BACKGROUND:

Oregon Revised Statute (ORS) 471.166 establishes the process for local governments to make recommendations to OLCC regarding approval of or denial of initial OLCC license applications and any additional privileges to their existing OLCC license. As part of the process, the Police Department reviews all initial and additional privilege applications to ensure compliance with applicable regulations. The City Council is charged with the responsibility for recommending approval or denial of these applications to the Oregon Liquor Control Commission bases on information submitted by the Police Department.

On September 26 2016, the owners of a new proposed establishment, Barrels Bar LCC applied to OLCC for a Full On-Premises license that would allow them to sell alcohol at their new proposed business located at 161 Central Ave. Coos Bay. Records Supervisor Chris Esperance has reviewed the application, conducted a records check of the business and applicants. The investigation revealed no information that would prohibit the issuance of the Full On-Premises Sales license.

ADVANTAGES:

A business, operating in compliance with OLCC regulations, can add to the economic stability of our community.

DISADVANTAGES:

BUDGET:

RECOMMENDATION:

If it pleases the Council, staff recommends the approval of the Full On-Premises sales license for Barrels Bar located at 161 Cenral Ave. Coos Bay Oregon.
