**ISSUE: Swearing in Ceremony for New Police Department Officer Daniel Henthorn**

**BACKGROUND:**

During a recent Coos Bay City Council meeting, former Councilor Leahy mentioned he would like to see the Police Department conduct the police officer swearing in ceremonies in front of the City Council and audience. With the Police Department completing the hiring process of Daniel Henthorn this month, we are now ready to move forward with the swearing in ceremony for Daniel Henthorn.

Daniel Henthorn comes from the Coquille Police Department where he worked as police officer for the last seven years. He is certified as a police officer through the Department of Public Safety Standards and Training. With the Coquille Police Department, Officer Henthorn served as a Field Training Officer as well as a Taser Instructor. He was a member of the Interagency Evidence Collection Team and Major Crimes Investigation Team.

Officer Henthorn is married to his wife Holli, and they have three children. During Daniel's time off, he loves hunting, fishing, and spending time in the outdoors with his family.
