CITY OF COOS BAY URBAN RENEWAL AGENCY BUDGET MESSAGE FY 2014-2015

To the Honorable Chair Mark Daily, members of the Urban Renewal Agency (URA), citizen members of the Budget Committee, and citizens of Coos Bay, Oregon, it is my honor and pleasure to submit the URA's FY 2014-2015 budget.

The Coos Bay Urban Renewal Agency (URA) is a separate municipal corporation responsible for administering and implementing the urban renewal plans in Coos Bay's two separate and distinct urban renewal districts: the Downtown District (Downtown) and the Empire District (Empire). Coos Bay's Urban Renewal Agency Board is governed by the Mayor and City Council. The City Manager serves as the Executive Director of the Urban Renewal Agency (Agency). Coos Bay Public Works, Community Development, and Finance staff supports the urban renewal program and projects through an intergovernmental agreement with the City of Coos Bay.

The proposed URA annual budget for fiscal year 2014-2015 has been prepared pursuant to Oregon Local Budget Law and presents my recommendations as budget officer, but incorporates the cooperative efforts of the City's management team. Both districts are financially sound with sustainable resources needed to undertake economic development and infrastructure projects that benefit the entire Bay Area.

Urban renewal agencies are different from taxing districts in that they do not have permanent rates, and they raise revenue primarily through tax increment financing (TIF). When an urban renewal plan is created, the value of the property within its boundaries is locked in time or frozen. The agency then raises revenue in subsequent years from any value growth above the frozen amount. This value growth is referred to as the increment. The tax rate used to calculate taxes imposed for the Urban

Renewal Plan is the consolidated tax rate for the taxing districts within the geographic boundaries of the Plan. These urban renewal taxes, referred to as "tax off the increment", are calculated as the consolidated tax rate times the value of the increment.

Under certain circumstances, urban renewal agencies like Coos Bay's URA are allowed to raise additional revenue beyond what they raise off their increment via special levies. Starting in 1997-98, if an existing urban renewal plan received less revenue off its increment under Measure 50 than what it would have received under pre-Measure 50 tax system, the agency can impose a special levy to make up for the difference. Up to this date, neither URA has elected to impose the urban renewal special levy nor does this budget include or recommend that the Agency impose any portion of the Special Levy.

In past years, pursuant to ORS 457.435(2), the City of Coos Bay selected "Option 1" [ORS 457.435(2)(a)] as the method to be used in collecting urban renewal property taxes. As such, the "Special Levy" is an option for collecting the "division of tax" (property tax) or "Tax Increment Financing (TIF)" for both Coos Bay's Urban Renewal Plans. However, as was listed above, the URA has never elected to impose this citywide levy against all the taxable property in the City, but rather has elected to collect only those dollars accruing within the separate plans (districts) per Ballot Measure 50 "division of taxes" allocation.

The accounting for each of the two districts is organized into five basic funds: Special Revenue Fund, Program Fund, Bond Fund, Bond Reserve Fund, and Capital Project Fund.

The **Special Revenue Fund** serves to receive incoming tax increment revenue and to transfer budgeted funds to the Bond

Fund, Bond Reserve Fund, and the Capital Project Fund (after tax increment revenue is converted into debt proceeds). The proposed budget reflects a combined total of \$1,649,779 in revenue resources (property taxes, delinquent property taxes, and carryover funds) for both districts (Downtown revenue of \$997,594 and Empire revenue of \$652,185).

The **Bond Fund** acts as a pass thru account from which the URA makes its bond and/or loan payments. The proposed budget reflects a combined total debt service of \$1,220,767 for both districts (Downtown debt service of \$768,582 and Empire debt service of \$452,185).

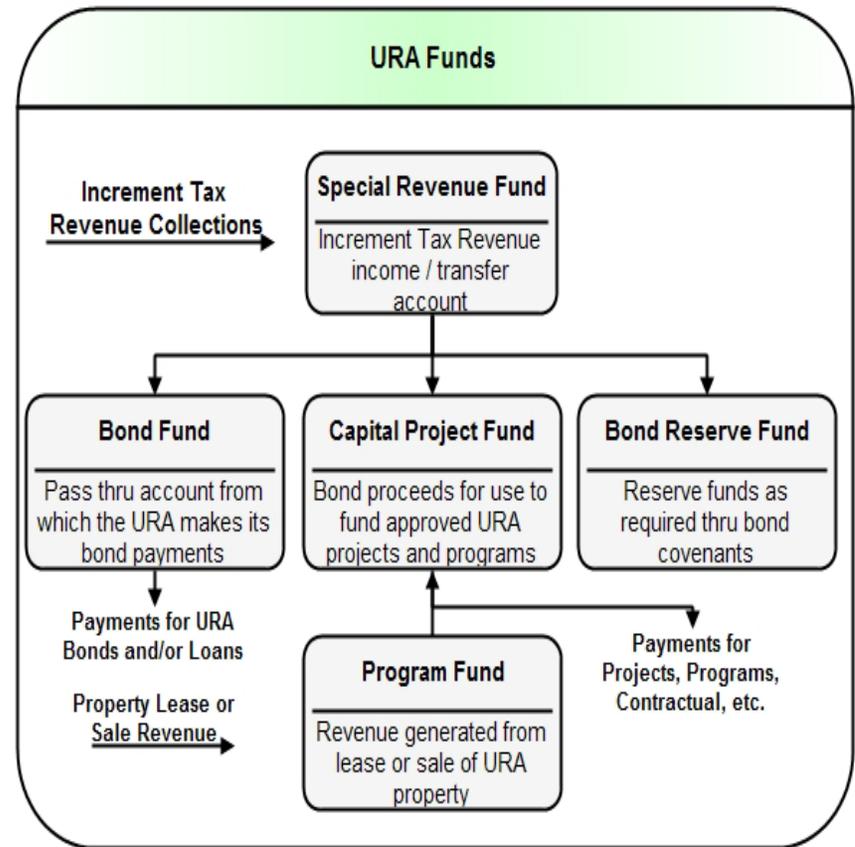

The **Bond Reserve Fund** acts as a reserve account where funds are maintained as required by bond covenants. The proposed budget reflects a combined total bond reserve funds of \$908,079 (Downtown bond reserve funds of \$682,250 and Empire bond reserve funds \$225,829).

The **Capital Project Fund** accepts bond proceeds which are used to fund approved URA projects and programs. The proposed budget reflects a combined total of materials & services and capital project expenditures of \$2,691,279 for both districts (Downtown expenditures of \$1,642,806 and Empire expenditures of \$1,048,473). Proposed projects and programs include the following:

- Façade Program \$175,000 (Downtown \$100,000 and Empire \$75,000)
- South Empire Boulevard Enhancement Project \$616,900 (This is in addition to the \$3,394,000 in grant funds received for this project)
- Bayshore Fence / Sidewalk project \$132,000 (This is in addition to the Port of Coos Bay contribution of \$35,000 and ODOT's contribution of \$180,000)
- Downtown Bus Transfer Station \$554,460 (This project relies on grant funding and is listed in the proposed budget as pass through funds)

- Restoration of the Egyptian Theatre \$270,000 (\$70,000 is an awarded façade grant and the reminding \$200,000 funds via grants received and local fundraising efforts)

The **Program Fund** accepts revenue generated through the lease or sale of URA property, and those revenues can be transferred into their respective Capital Project Fund to be used for URA projects and programs. The proposed budget reflects total funds of \$626,745 (Downtown \$191,780 which includes \$150,000 for the anticipated sale of URA owned property and Empire \$434,965).

I am recommending that the Budget Committee not consider imposition of some "fraction of" but rather approve 100% of the amount from the "division of taxes" and also not collect a citywide urban renewal "special levy" which can be imposed at the maximum rate of \$1.97 per \$1,000 of assessed valuation or some fraction thereof. The actual breakdown is as follows:

Downtown: \$1.29 per \$1,000 of assessed valuation
Empire: \$0.68 per \$1,000 of assessed valuation

New estimated "division of taxes" revenues for FY 2014-15 for Downtown and Empire districts are respectively \$997,594 and \$652,185.

It is my recommendation that the FY 2014- 2015 Urban Renewal Agency budget be balanced without authorizing the imposition of a fraction of the Special Levy option. The attached proposed budget has also been reviewed and recommended by the Urban Renewal Advisory Committee.

Respectfully submitted,

Rodger Craddock,
City Manager
Urban Renewal Budget Officer

March 7, 2014

URBAN RENEWAL AGENCY

Program Description

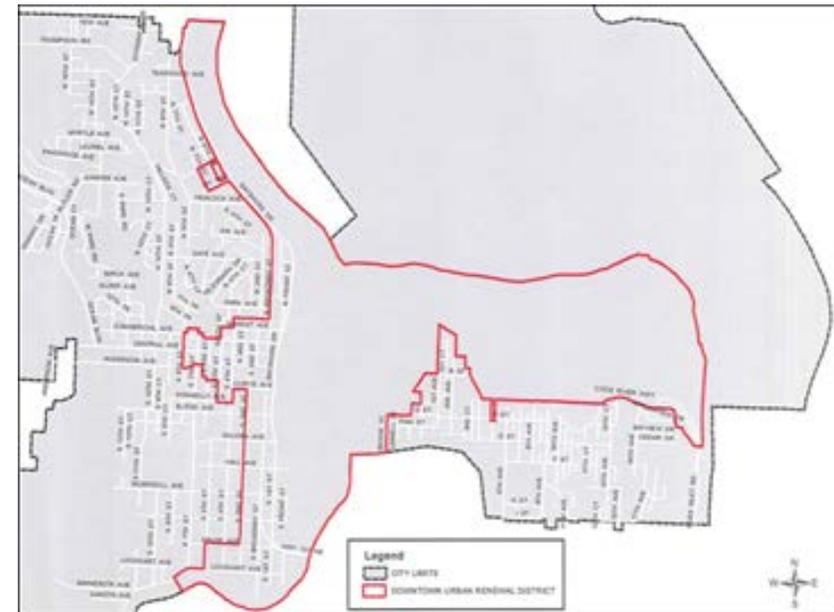

The intent of urban renewal is to improve specific areas of a city that are poorly developed or underdeveloped, eliminate blight, and improve conditions to encourage economic development.

The City of Coos Bay created an urban renewal district in the central downtown core area in 1968. The district extended from the bay on the east to 4th Street on the west and from Commercial Avenue on the north to Curtis Avenue on the south. The district's projects consisted of elimination of traffic on Central Avenue from Highway 101 to 4th Street and the creation of a pedestrian mall, undergrounding of many utilities within the district, property acquisition to create parking lots and remove blighted structures, and canopied walkways to connect parking lots and other district areas with the pedestrian mall. The projects were completed in the early 1970s. The district ceased tax increment revenue financing in 1984, and the district ended in 1989.

Currently, the Urban Renewal Agency administers two separate urban renewal districts. The Downtown District was formed in 1988, and it is 1,298.3 acres in size. The Downtown District includes the shopping district and the upper portion of the bay. The Empire District was formed in 1995, and it is 271.3 acres in size. It includes a business district and the lower portion of the bay.

The Downtown District begins at the north city limits and runs between the navigation channel and Highway 101 south, and southeast toward the City's core area. The district's boundaries

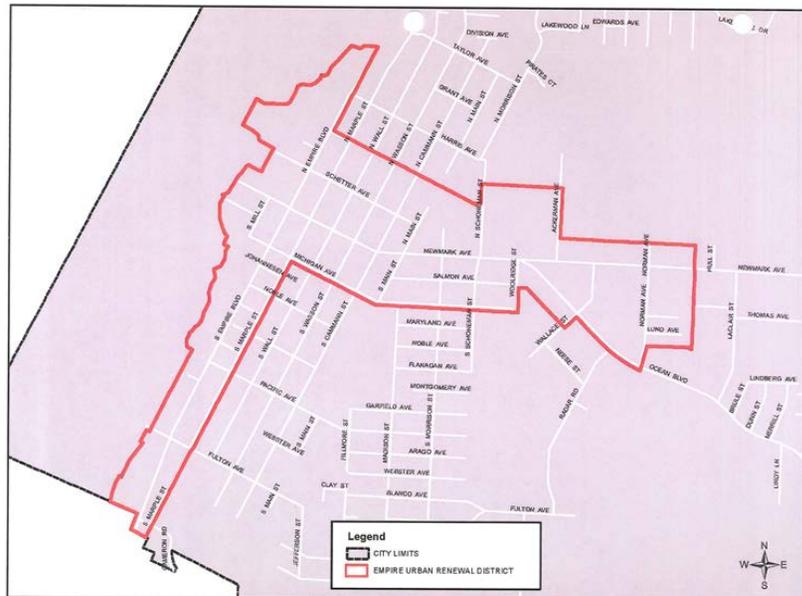

proceed south until they come nearly in line with the industrial property located in Eastside. The eastern boundary then turns east to include the industrial-commercial lands in the Eastside area. The westerly boundary proceeds west to include the downtown core area which was a part of the first Urban Renewal Plan, and it also includes several blocks of transportation corridor immediately west of the core area. The eastern and western urban renewal area boundaries begin to come together in the southern portion of the City and extend to the south City limits along Coalbank Slough.

The Downtown Plan classifies potential urban renewal projects in three general, broad categories:

- Waterfront Development
- Core Area Revitalization
- Streets and Infrastructure

The Empire District, in general, borders the bayfront adjacent to Empire Blvd from Wisconsin Avenue north to the shoreline - at the intersection of Empire Blvd and Newmark Avenue, east on either side of Newmark Avenue to the intersection with Ocean Blvd, east to the property line between Norman Avenue and LaClair Street.

The objectives of the Empire Plan are to improve the function, condition, and appearance of the urban renewal area and eliminate existing blight. Project categories:

- Waterfront Development
- Empire Blvd and Bayfront Improvements
- Improve Primary Commercial Area

Debt Service

Downtown District debt service:

- 2003 Project Bond refinanced in 2013. The bond maturity date is December 1, 2017
- 2009 VIC Bond. The bond maturity date is June 15, 2019

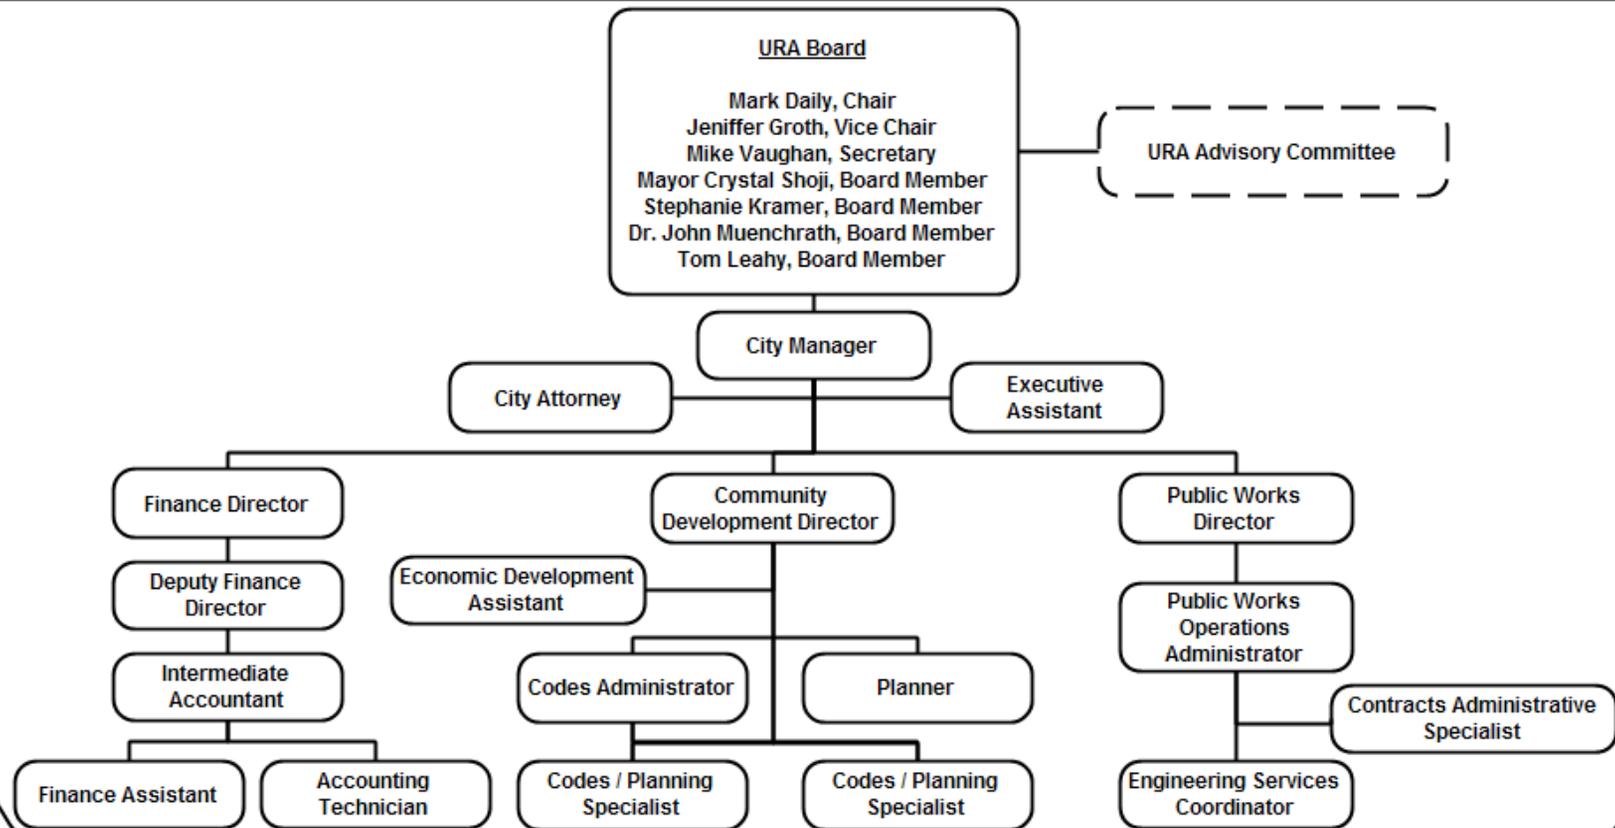

Empire District debt service:

- 2003 Project Bond refinanced in 2013. The bond maturity date is December 1, 2017

2014 Goals

1. Educate citizens on the purpose and activities of Urban Renewal
2. Continue to Support Restoration of the Egyptian Theatre
3. Complete Multi-Model Pathway Project on South Empire Blvd.
4. Complete Hwy 101 Fence / Sidewalk Project near the Downtown Boardwalk
5. Continue to Promote the Hollering Place Development.
6. Support and Fund the Façade Improvement Program.
7. Assist C-CAT with the proposed Bus Transit Station Project for Downtown.
