VOLUNTEER FIREFIGHTER RETIRES AFTER 40 YEARS OF SERVICE - A big

thank you to Jon Eck for his 40 years of dedication and service to the City as a volunteer Firefighter!!! Jon joined the department in June of 1975. Over the years, Jon earned several fire service certifications, but he is best known for his role as a company officer and engineer. Jon served as the president of the Volunteer Association in 1993 and again in 1997. Jon was promoted to the rank of lieutenant in 2000. Over the years, Jon has logged thousands of hours of training, assisted the department in fighting hundreds of fires, and participated in countless community service events.

Jon's contribution to this City extends well beyond the Fire Department through his past service on the City Council, his involvement and leadership in Boy Scouts, and his service in the local Lion's Club.

AMERICAN HERITAGE GIRLS CLEAN UP THE BOARDWALK - The July 4th fireworks display attracts many visitors to the Coos Bay Boardwalk. Unfortunately, some that attend leave their spent fireworks and food wrappers behind. On Monday morning July 6th, a group of approximately ten young people and a few adults from American Heritage Girls met on the boardwalk to assist with the 4th of July cleanup of the boardwalk facility. It is volunteers like these that make our community such a great place to be.

A Big Thank you to the American Heritage Girls!!!
