The applicant also proposed replacing the existing T-111 siding with hardie siding and trim; west elevation would be framed in and covered with hardie stucco sheets and entire building would be repainted.

Bids received were \$41,445, \$44,360, and \$55,900. Based on the façade programs 50/50 grant match requirement with a maximum grant of \$25,000 per fiscal year per building, the total grant
