New Urban Renewal Business

Councilor Vaughan stated the Boat Building Center was repairing the Tug Irene as a result of a contract with the City and representative Tom Harvey would discuss the progress. Mr. Harvey provided a PowerPoint of the project and stated on the port side of the Tug Irene, 20 ribs were found to be broken and could no longer hold the shape of the vessel. The repairs commenced were to add a series of two sister ribs, glue, and bolts. The entire side was replanked, scrapped, primed, and painted. The cabin house was titling and would be lifted up to the proper location ready for future repair.

Approval of a Façade Improvement Grant for Star of Hope Located at 657 Newmark Avenue

Community Development Director Eric Day presented a façade improvement grant application on behalf of the Star of Hope for their building located at 657 Newmark Avenue. Mr. Day stated the Design Assessment Team met with the applicant on two separate occasions to review the application and on August 24, 2016 recommended approval of the project as revised to comply with the standards and goals for the Empire Waterfront Settlement Design Review District. The applicants proposed to use the façade grant for improvements to the façade on the north, south, and west elevations of the existing structure. The color scheme would be "Guilliford Green" for the body, "Windham Cream" for the false front/trim, and "Louisburg Green" as an accent color.
