Request to Use the Chamber Parking Lot for the Farmer's Market

Council President Miller reported the Downtown Association has requested the Farmer's Market be granted authorization to use the northern portion of the Chamber parking lot effective August 23, 2000. The Farmer's Market has been very successful and has outgrown their current location. Councilor McKeown suggested granting the request for a week and if there are no complaints, the request would become permanent. Councilor Spangler inquired if concern from downtown merchants has been received regarding the Farmer's Market. President Miller commented she has received no complaints and many of the customers shop the downtown businesses as well. Councilor McKeown commented the market has increased the number of people stopping in the downtown area.

Councilor Weeks moved to approve the use of the northern portion of the Chamber lot pending complaints. Councilor McKeown seconded the motion which passed with all Councilors present voting aye.
